Come Outside

Welcome back! We start the term thinking about our local area and where we live in the world. We will then compare Northampton with London and for this we will use a story called The Queen's Hat by Steve Antony. We plan to look at famous London landmarks and look at a map of the British Isles, where we will locate Northampton, London and other places that the children may have been to. Through stories we will develop the children's understanding of how stories are structured with a beginning, middle and end. We will also be building and/or painting, representations of London landmarks on which we will base our writing. Towards the end of the term we will be learning about the Christian festival: Easter.

Mystery Readers...

If you would like to be our next Mystery reader then please upload a video recording of your story onto Google Classroom and then we will share it to all the children.

Supporting at home...

- Read, read and read, at every opportunity.
- Limit screen time in exchange for an extra story!
- Walk around your local area and talk about what you see.

Do please see you child's class teacher if you would like help or advice with any aspect of your child's learning.
