

This Term...

Our new topic in Year 3 is **"Predator!"**

It's time to take a walk on the wild side. Find out who's coming to visit. Is it a bug munching lizard or an eagle-eyed bird of prey? Whatever it is, do you think you can handle it?

Learn about creepy crocs and amazing alligators, the deadly assassin bug and the voracious Venus flytrap. Be inspired to write an informative leaflet all about your favourite predator and compose a poem about a predator or its prey. Then use what you know about the best of the beasts to create the ultimate predator; the apex of the food chain.

Cross your dad with a peregrine falcon or your nan with a great white shark. What incredible species can you imagine?

Feeling peckish? Let's jump aboard the food chain.

Our new topic in Year 4 is **"Blue Abyss"**

Grab your wetsuit. We're going deep into an underwater world of incredible coral and mysterious sea creatures.

Learn about life in the ocean. Can you pick a favourite fish, plant or animal? What do real divers get up to below the surface? Create a fishy story about exploring an amazing underwater world. Time to go a little deeper into our seas.

Make a model deep sea submarine that can withstand great pressure and travel to the deepest, darkest places on Earth. Make sure you test it first.

What are those bright lights in the distance? It's a group of bioluminescent sea creatures. Look closely and create a colourful, exhibition when you rise to surface.
