

# Marvellous machines, building up and moving on.

## Can you learn these words?

Excavate  
Delve  
Bore  
Mine  
Scrape  
Shovel  
Rake

## Books we will be reading:

Sam and Dave Dig a Hole -Mac Barnett

*No-Bot the Robot's New Bottom!* by Sue Hendra and Paul Linnet

## We will be learning:

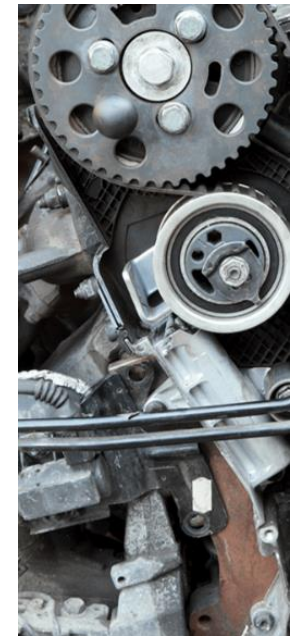

A machine is a man-made device.

Machines use power to make them move or perform an action.

Sound is created when something vibrates. Sound waves travel through air, water and solid objects.

Batteries power electrical devices, such as torches and toys.

A battery is a store of electric power.

## Machines at home

Draw and label the machines that you can find in your home and bring them to school.

Clue: Lots of machines help us to clean!

**Wrap! Splat! Hat!**  
**Sun safety – teach your children how to be safe in the sun.**
