This Term...

EYFS Curriculum

Welcome to Summer Term 1...

We hope you had a wonderful Easter break.

This term our topics are:

Animal Safari

This project teaches children about the animals that live around the world, how to look after animals and the importance of caring for our local and global environments. We will be learning about the continent of Africa and the countries that it includes.

Creep, Crawl and Wriggle

This mini project teaches children about invertebrates that live in their gardens and local environment. We will be exploring all the creatures that share the school grounds with us and exploring creatures at Delapre park.

Thought of the term...

Be caring and kind
Respect and compassion
InMAT value: Inclusion

How I can help my child at home.

Supporting at home...

Reading – have you joined your local library? It is free and you can take out up to 10 books. You can also hire story bags which contain props to use with your child to support retelling the story.

<https://www.westnorthants.gov.uk/list-libraries/hunsbury-library>

Phonics – The children are all progressing well with reading. We ask that you practise and support your child with this a minimum of three times a week signing the reading record each time.

Please ensure that your child keeps all their school books, in their book bag, so that we can change them at the earliest opportunity.

Dates for the diary.

16th April – Start of Term 5

18th April – Class Photos

2nd May – School Closed to pupils in EYFS -Year 5 (polling station day) Year 6 in school
