

This Term...

EYFS Curriculum

Welcome to The Abbey primary School...

This is an exciting term supporting your children with settling into the new rules and routines of school and encouraging them to make new friends and feel confident in their class. Our Community code teaches children about being helpful, kind and thoughtful at home and at school. Children will explore how they are unique and special, the importance of friendship and how people in their family, school and local community are important and can help them.

Let's Explore

Here, the children will learn about the environments that they share with others, including their homes, school and places in the local community.

Build it up - Lots of exploring with the children about structures and materials and the opportunity to work in groups to create collaborative structures.

Thought of the term...

Be your best.

Aspiration and Courage

InMAT value: Inspiration

How I can help my child at home. Supporting at home...

Storytime - Never underestimate the importance of reading to your children. Every bedtime story you share develops your child's vocabulary and enhances their imagination.

Maths

In Term 1, Nursery will learn about colour, patterns and shapes. Activities which support this: talk about different colours and patterns recognising similarities and differences

In term 1, Reception will learn numbers to 5, recognise numerals and identify small groups by sight. Activities which support this: talk about how many objects they can see, practise recognising numbers in the environment and counting objects.

Reading

In Term 1, Nursery will practise listening skills and identify different sounds in the environment and sounds words begin with. Activities which support this: singing songs and rhymes, listening for sounds in the environment. Talk about pictures in books.

In term 1, Reception will begin to learn letter sounds and to blend these sounds by saying them aloud together. Complete sound sheets sent home and follow the QR code videos for each sound.

Do please see you child's class teacher if you would like help or advice with any aspect of your child's learning.
