

EYFS NEWSLETTER

Autumn 1 2026

WHAT'S NEW

The children have settled into school life really well in both Nursery and Reception. This half term the children will be learning about Superheroes and what makes a superhero.

We will also be thinking about how we can be Superheroes.

We will be looking at the stories Super Duper You, Supertato and There's a Superhero in your book.

We will also look at real life superheroes, such as, fire fighters, police and doctors and nurses.

We will also look at Harvest Festival. The children have started learning their phonic sounds and we have started our baseline assessments.
